OPINION AND ORDER

This matter is before the court on a “Motion for More Definite Order” filed by the defendant, Kevin J. Blevins (“Blevins”), proceeding pro se, on May 3, 2010. The government has declined to file a response. For the following reasons, the motion will be denied.

Discussion

In his present motion, Blevins requests a speculative ruling as to whether this court will entertain his § 2255 motion on summary remand from the Seventh Circuit Court of Appeals. As the matter has not been remanded, the court does not have an opinion as to what will transpire in the event of a remand. Accordingly, the motion will be denied.

Conclusion

Blevins’ “Motion for More Definite Order” [DE 113] is hereby DENIED.

Entered: June 15, 2010.
